

# VIDHYADEEP INSTITUTE OF SCIENCE

## T.Y. B.Sc. SEM-VI INTERNAL THEORY EXAM- FEB-2024

| Date (Day)                | Time           | Subject   |
|---------------------------|----------------|---|
| 21/02/2024<br>(WEDNESDAY) | 10:00 to 11:00 | Genetic Engineering /<br>Inorganic Chemistry                      |
|                           | 12:00 to 01:00 | Epidemiology and Medical<br>microbiology /<br>Organic Chemistry   |
| 22/02/2024<br>(THURSDAY)  | 10:00 to 11:00 | Industrial Microbiology /<br>Physical Chemistry                   |
|                           | 12:00 to 01:00 | Diagnostic Microbiology /<br>Industrial Chemistry                 |
| 23/02/2024<br>(FRIDAY)    | 10:00 to 11:00 | Microbial Products /<br>Analytical Chemistry                      |
|                           | 12:00 to 01:00 | Genomics, Proteomics and<br>Bioinformatics /<br>General Chemistry |
| 24/02/2024<br>(SATURDAY)  | 10:00 to 11:00 | Biosafety in Microbiology<br>Laboratory /<br>Petrochemicals       |
|                           | 12:00 to 01:00 | Language Through Literature                                       |

Exam Convenor  
Devanshi Patel

Exam coordinator  
Vivek Goswami

Dean Science
